

SAN JOSÉ, CALIFORNIA

19-22 FEBRUARY 2019

Code4Lib: a community of developers and technologists for libraries, archives, and museums. Our 2019 conference will be held in San Jose, CA. By sponsoring the conference, you can help level up your organization's technology!

The Code4Lib Conference is ...

- Single-track
- Growing — we expect up to 450 attendees this year from academic libraries, public libraries, archives, museums, galleries, and library nonprofits
- An amazing opportunity for education and information exchange, with dozens of presentations and preconferences
- A good place to meet both practitioners and IT managers — 15% of attendees last year were department heads
- Gender diverse — 40% of attendees last year were women

Sponsorship opportunities include...

- General and targeted sponsorships
- Diversity scholarships
- Exhibitor tables located in a high-traffic area

Benefits of sponsoring include...

- Recognition
- Access to library and archive technologists... one of whom may be your next hire
- New ideas and innovations
